

WARRANTY INFORMATION

Glossbaus 5 year warranty is an exclusive warranty system available with the Glossbaus Platinum Coating and is based on a harmonious relationship between the client and the installer in which due maintenance is carried out by an accredited Glossbaus installer during the warranty period ensuring that the coating is performing optimally. Glossbaus International Inc. warrants to the owner of the nominated vehicle that the treated surfaces will remain free of permanent stains, UV damage, and a noticeable loss of gloss or colour for the duration of the designated warranty except as otherwise noted in the terms and conditions of this warranty. If the coating performance is unsatisfactory, Glossbaus International Inc. or a certified installer will repair, clean, or reapply the coating to painted surfaces at no expense to the owner. To maintain a valid warranty, the following conditions apply.

- Vehicle must be continuously registered within North America.
- Warranty is valid once the coating has fully cured (72 hours after installation is completed). The applicator is required to upload a signed and dated copy of the client's warranty package details to the Glossbaus installer database within two weeks of the initial application being completed, failure to do so will result in a void warranty.
- Vehicles over 1-month-old require a machine polish/ paint correction to be carried out by an accredited Glossbaus Installer before the coating being applied.
- Glossbaus Administration must be notified of the failure of product performance within 30 days of occurrence. Failure to do so will result in -Glossbaus International Inc. having any kind of related liability under this warranty.
- The customer shall have the vehicle inspected and SiO₂skin Topcoat reapplied every 6 months from the date of the first application plus or minus 30 days.
- Any treatment/re-treatment of Glossbaus products must be applied/reapplied by a verified Glossbaus Installer. If any treatment or other work or product other than Glossbaus products (ie. waxes, sealants, boosters) are applied to the surface by a non-verified Glossbaus Installer the warranty will be invalid.
- Warranty must be filed with Glossbaus administration in the name of the vehicle owner and can not be transferred.
- This agreement excludes vehicles used for commercial purposes at any time previously, presently, or during the validity of the selected warranty period.
- 5-year warranty can only be issued if the Platinum Basecoat is reapplied at a 3-year interval upon inspection and regular maintenance is done throughout the remaining term of the warranty.
- The granting of the warranty is conditional upon payment in full by the customer for the completed application of the Glossbaus Platinum Ceramic Coating System.
- Warranty is valid for factory clear-coated paints only and excludes any non-clear-coated or matte finishes.
